### A Note from the Director/Assistant Director

Spring has sprung here at the treehouse. We've been cleaning and shaping up all of our classrooms last month and are ready to move into spring activities. This means more outdoor focused activities, more nature walks and exploring. This month we are celebrating the week of the young child. Please join us for our family event. We will have games going in the classrooms and a movie (Inside out) in the gym. Please feel free to bring the whole family. Snacks will be provided. For our earth day celebration we will be having a garden clean up and planting event. We would love some small garden tool donations. If you have any flowers, veggies or fruits you would like to propagate we would love that. We wanted to let everyone know that Ms. Tiffany will be out for surgery April 24th for a week or two. Ms. Emily will be supporting the school in her absence along with Ms. Alissa and Ms. Kirstin.

## MONTHLY ARTICLE

### *What is the Week of the Young Child®?*

The Week of the Young Child® is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC), the world's largest early childhood education association, with nearly 60,000 members and a network of 51 Affiliates. The purpose of the Week of the Young Child® is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. NAEYC first established the Week of the Young Child® in 1971, recognizing that the early childhood years (birth through age 8) lay the foundation for children's success in school and later life. The Week of the Young Child® is a time to plan how we—as citizens of a community, of a state, and of a nation—will better meet the needs of all young children and their families
